PAPERCLIP BOOKMARKS

Paperclip Bookmark Instructions *(you will need scissors and glue)*

1. Cut a pair of leaves from the green paper....about this size and shape.
2. Glue the leaves you cut onto one of the flower pieces.
3. Glue the yellow circle onto the middle of the other flower piece.
4. Glue the button onto the middle of the yellow circle.
5. Glue the back piece assembly to the front piece assembly making sure to sandwich the top of the paperclip and leaves into the middle.
6. Let dry thoroughly before using as a bookmark
7. Repeat with the second set of supplies.
