13.  
[Apply](#) the 90 degrees rotation  
to the origami fox [model](#) to  
make it sitting on the ground.

You can stop here or you can  
draw two eyes or put googly  
eyes.

14.  
Here I put two googly eyes.

Congratulation!

You have completed making  
a traditional sitting origami  
fox.
