

## Instructions for Marshmallow Catapult

Supplies you are given: 9 craft sticks, 4-6 rubber bands, 1 plastic spoon, 1 marshmallow

Supplies you will need: maybe more marshmallows to catapult 😊

**Step 1** - Take 7 of the craft sticks and tie a rubber band tightly around one end.

**Step 2** - Tie another rubber band tightly around the opposite end so all 7 sticks are bound together.

**Step 3** - Take the remaining 2 sticks and tie a rubber band on one of the ends. Try to tie the band close to the edge of the sticks.

**Step 4** - Insert the 7 sticks banded together through the 2 stick bundle as shown in the illustration below.

**Step 5** - Tie a rubber band in a cross fashion joining the two pieces.

**Step 6** - Use a few rubber bands and attach the plastic spoon onto the top stick (near the end). You are done with your catapult and ready to launch your first marshmallow!
