Produced by the nonpartisan Foreign Policy Association since 1954, The Great Decisions is America's largest discussion program on world affairs. The Gates Public Library is excited to offer the series again in 2026.

The program involves reading essays in the Great Decisions briefing book, then meeting at the Library to watch a corresponding video and take part in a moderated, informal discussion on the most critical global issues facing America today. Our moderator is Mark Sample, History Professor at Monroe Community College.
